

# Popup Canopy Tent

evento

## ❖ EVENTO Popup Canopy Tent

Easy to assemble, the **EVENTO** pop up canopy will get your company noticed at its next outdoor event.

Manufactured from ALUMINUM, they are lighter and stronger than its steel counterpart and still comparable in price. With height adjustable octagonal legs which lock into position with spring loaded locks, you can adjust the height of the pop up canopy to your liking.

Use a plain color canopy with a silver thermal underside to reduce heat under the canopy as well as to waterproof it or customize the canopy with your corporate logo or message using dye sublimation process for complete coverage.

For portability, the promotional tent comes with a black carrying bag for the aluminum frame and are ideal for:

- Trade shows, markets, fairs and festivals
- Outdoor concerts and sports events
